You're fragrance is... BEAUTIFUL

You're classic and romantic, and find the beauty in all things.
A rich blend of Rose, Lily, Tuberose and Orange Flower. Brightened with citrus,
warmed by woods.

Estée Lauder's vision, carried out by Evelyn Lauder, was to create a fragrance
that made every woman feel she was the most beautiful woman in the room.

Ever romantic, Beautiful is represented by a bride to symbolize
a woman at her most feminine, romantic and beautiful.
Romantic, feminine, memorable.

The fragrance of a thousand flowers.

This clean, sparkling floral is a delicately soft blend of notes of Lilies, White Peonies and Jasmine, all aglow with the essence of Baie Rose.

Delight your senses in every season, every moment with the feel-good fragrance that celebrates life's simple pleasures.

Sheer. Shimmering. Fresh as flowers after a spring rain.
