

ORIGINS

WHO IS IT FOR

- All skin types, Sensitive skin

HOW TO DEMO

- 1 Prep client's hand by applying Mega-Mushroom™ Treatment Lotion onto a cotton pad. 
- 2 Apply two pumps of **Brightening Moisturizer** to the back of the client's hand and allow client to observe the smooth texture of the formula. 
- 3 Gently massage until product is fully absorbed. 
- 4 Invite client to feel the difference in their skin 

SUSTAINABILITY

- Recycled jar and cap

HOW TO USE

- 1 Use **Mega-Mushroom Treatment Lotion** to prep the skin in face, neck, and décolleté. 
- 2 Dispense 2 – 3 pumps of **Brightening Serum** and apply over the entire face contour. Gently massage in until fully absorbed. 
- 3 Apply acupressure points to improve circulation and reduce redness. 
- 4 Scoop up a coin-size amount of **Brightening Moisturizer**. Apply in 5 areas: cheeks, forehead, chin, nose. 
- 5 Gently massage in a circular motion until fully absorbed. In the AM apply SPF afterwards.
