

## WHO IT'S FOR

- All skin types [Normal, Oily, Dry, Combination]
- Sensitive skin

## HOW TO DEMO

**1** Prep client's hand by applying Mega-Mushroom™ Treatment Lotion.

**2** Apply two pumps of **Mega-Mushroom Dark Spot Corrector Serum** to the back of the client's hand and allow client to observe the smooth texture of the formula.

**3** Gently massage until product is fully absorbed.

**4** Invite client to feel the difference in their skin

## CLIENTS' CONCERNS

- Hyperpigmentation [Dark Spots, Post-Acne marks]
- Irritation

## HOW TO USE

**1** Use Mega-Mushroom™ Treatment Lotion to prep the skin in face, neck, and décolleté.

**2** Dispense 2 – 3 pumps of **Dark Spot Corrector Serum** and apply over the entire face contour. Gently massage in until fully absorbed.

**3** Apply extra on any targeted areas if needed.

**4** To achieve an optimal result, apply your daily sunscreen to protect from UV damage.
