

A gift from Clinique!
Experience Clinique’s iconic fragrance; now in a
body spritz.

Give Happy. Get Happy.

A hint of citrus. A wealth of flowers. A mix of emotions.
A lighter take on our feel-good fragrance to spritz
or layer for happy all over.

Perfect pair to our Clinique Happy Eau de Parfum Spray.
97% of people feel happy when they smell Happy.*

*Out of 72 women who were drawn to the scent after smelling it; Clinique commissioned a third party neurosensory study to capture the conscious and subconscious emotional responses of women who were drawn to the scent.

Inspire your clients and followers on social media to experience Clinique's feel-good scent, right in time for the holiday season!
