

Even Better Clinical™

Vitamin Makeup Broad Spectrum SPF 45

What it is:

Lightweight, vitamin-powered foundation with **light**, buildable coverage for more **vibrant**, healthy-looking skin. Blends effortlessly for a natural, healthy-looking radiance.

Supports skin's **natural energy**, **brightens** and **protects**. Hybrid sunscreen system with a blend of UV filters (chemical and physical) **provides UVA/UVB protection**.

Who it is for:

Dry, Dry Combination and Oily Combination Skins (1, 2, 3).

Oil-free. Non-acnegenic.

Safe for Sensitive Skin. Safe for Sensitive Eyes.

Safe for Contact Lens Wearers.

How To Use:

Pump a few drops onto clean hand. With your preferred application technique (e.g., fingers, brush or sponge), start in center of face and blend outward.

Build coverage as needed. Remove with Take The Day Off™ Cleansing Balm.

Pro Tip: For a flawless finish, use Clinique's Foundation Buff Brush in circular motions to blend seamlessly.

In 28 flexible shades designed to match everyone.

Dermatologist guided solutions.

Allergy tested.
100% fragrance free.

CLINIQUE

Even Better Clinical™

CLINIQUE

- 96% say makeup makes skin looks **more vibrant**.*

In 2 weeks:

- 87% say bare skin looks **more vibrant**.**

* Consumer testing on 165 panelists after 1 week of product use.

** Consumer testing on 165 panelists after 2 weeks of product use.

Ingredients

4% Vitamin B3 (Niacinamide)

Helps **support** skin's natural energy.

Vitamin E

Helps provide skin with **antioxidant defense** against environmental aggressors including blue light, infrared light and pollution, to **help prevent future damage**

Hyaluronic Acid

Attracts and retains moisture for fresh, plump, well-hydrated skin.

HA is known for its ability to retain moisture.

5 forms of Vitamin C

2 forms help **visibly brighten**.

3 forms help provide **antioxidant protection**.

Acetyl Glucosamine

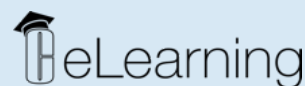

Helps accelerate cell turnover, **promoting young healthy cells to the surface**, as dry, flaky skin cells are exfoliated away.

Over time, skin looks and feels smoother.

Take the Day Off™ Cleansing Balm

Our #1 makeup remover in a silky balm formula gently dissolves makeup. Cleans thoroughly, rinses completely. Safe for sensitive skin and sensitive eyes.
